RE: Case No. 2004-00479  
AN EXAMINATION BY THE PUBLIC SERVICE  
COMMISSION OF THE APPLICATION OF THE  
FUEL ADJUSTMENT CLAUSE OF OWEN  
ELECTRIC COOPERATIVE, INC. FROM  
NOVEMBER 1, 2002 TO OCTOBER 31, 2004

Dear Sir:

Owen Electric filed a response to data requested by the Commission in the above case on January 11, 2005. Subsequently a typographical error was discovered that needs to be corrected. This was discussed with Daryl Newby of the Commission staff who instructed us to advise you in this letter of the correction that needs to be made. In Item 5 Page 1, the proposed rate energy charge under SCHEDULE IX LARGE INDUSTRIAL RATE LPC2 reads .02990 per KWH. This rate actually should be .02999 per KWH. This change should also be applied to Item 6, page 14 of 47 Energy Charge. We apologize for the confusion and if you have any questions please give me a call at 502-563-3523.

Sincerely,

Owen Electric Cooperative

Jack Bragg, Jr.  
Chief Financial Officer
